

Veritas Announces Loren K. Carroll As New Director

HOUSTON--(BUSINESS WIRE)--March 28, 2003--Veritas DGC Inc. (NYSE & TSX: VTS) today announced that Loren K. Carroll has been elected to the Company's Board of Directors.

Mr. Carroll is currently president and chief executive officer of M-I LLC, the world's largest supplier of drilling and completion fluids and drilling waste management products and services. He is also executive vice president and a director of Smith International Inc. and a director of Fleetwood Enterprises, Inc., both NYSE companies.

The election of Mr. Carroll brings the number of the Company's directors to seven.

Veritas DGC Inc., headquartered in Houston, TX, is a leading provider of integrated geophysical services and reservoir technologies to the petroleum industry worldwide. For more information on the Company, visit its Web site at www.veritasdgc.com.
