## Wavefield awarded ExxonMobil seismic program offshore Norway

**Oslo, Norway, 8 December, 2008** Wavefield Inseis ASA announced today that it has been awarded the 2009 Ringhorne/Balder/Forseti Seismic Program offshore Norway by ExxonMobil Exploration and Production Norway AS.

The survey will take approximately one month and will be acquired by one of Wavefield's high capacity 3D vessels during the second quarter of 2009. The project is the first that Wavefield will have conducted for ExxonMobil.

"We know that ExxonMobil is an industry leader in every aspect of the energy business so this award is particularly significant for us," stated Wavefield CEO Atle Jacobsen. "It is another important milestone for our company."
