

ADDENDUM TO THE MANAGEMENT REPORT FOR FISCAL YEAR 2009

Further to the notice of meeting published in the "*Bulletin d'Annonces Légales Obligatoires (BALO)*" dated March 29, 2010 for the annual shareholders' meeting to be held on May 5, 2010, the Work Council of CGG Veritas SA and CGGVeritas Services SA notified, pursuant to section L.2323-67 paragraph 2 of the French Labor Code, a draft resolution that have been included in the agenda of the extraordinary shareholders' meeting as "Resolution A", after the resolutions submitted by the Board of Directors.

Resolution A:

"Resolutions relating to the allocation of stock-options and performance shares to the Chief Executive Officer and the Chief Operating Officer and employees shall be valid for a period of one year in order to be consistent with the annual frequency of the other resolutions voted upon by the shareholders' meeting."

This resolution tends to set a frame for all resolutions to be submitted in the future with respect to the allocation of stock-options and performance shares. But, as the shareholders' meeting is the supreme corporate body of limited companies, only law and the by-laws of the company may limit the scope of its powers. Based on this principle, no shareholders' meeting convened at a given point in time may constrain the powers of subsequent shareholders' meetings and the freedom of vote of shareholders attending such meetings.

Consequently, the Board of Directors does not recommend to vote in favor of this resolution from a strict legal stand point.
