

Veritas DGC Inc. Begins Search For New Chief Executive Officer

HOUSTON--(BUSINESS WIRE)--Sept. 10, 2003--Veritas DGC Inc. (NYSE & TSX: VTS) announced today that David B. Robson has advised the company's board of directors of his intention to step down as chief executive officer when a suitable replacement can be found. He cited health reasons for his decision to retire. To effect an orderly transition, Mr. Robson will continue as a director and as chairman of Veritas.

A committee appointed by the board of directors of Veritas will conduct a search for qualified candidates with the assistance of executive search firm Spencer Stuart. The committee will consider internal candidates as well as those identified as a result of the search. It is the intention of the board of directors to have a new chief executive officer in place by the end of 2003.

Veritas DGC Inc., headquartered in Houston, Texas, is a leading provider of integrated geological and reservoir technologies to the petroleum industry worldwide.
