2. RANKING

2.1. Similar Liens and Agreements

The parties hereto (including each Obligor) agree that it is their intention that the First Lien Collateral and the Second Lien Collateral be identical, except as otherwise set forth in this Agreement. In furtherance of the foregoing, the parties hereto agree, subject to the other provisions of this Agreement:

- (a) upon request by the Designated First Lien Representative or the Designated Second Lien Representative, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the First Lien Collateral and the Second Lien Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective Obligors obligated under the applicable First Lien Debt Documents and the Second Lien Debt Documents;
- (b) (i) in respect of Liens granted in a jurisdiction in which it is customary for the First Lien Collateral and the Second Lien Collateral to be separately documented, that the documents and agreements creating or evidencing such First Lien Collateral and Second Lien Collateral, subject to Section 8.3, shall be in all material respects the same forms of documents other than with respect to the first lien and the second lien nature of the Secured Obligations thereunder and the provisions set forth in Annex I hereto; and (ii) otherwise, that documents creating or evidencing Liens granted in respect of First Lien Collateral shall also create or evidence the Second Lien Collateral;
- (c) the existence of a maximum claim with respect to any real property subject to a mortgage which applies to all Secured Obligations shall not be deemed to be a difference in Collateral among any series, issue or class of First Lien Obligations or Second Lien Obligations;
- (d) no Obligor shall: (i) grant any additional Liens on any asset to secure any Second Lien Obligations unless such Obligor gives each First Lien Representative at least 5 Business Days prior written notice thereof and unless such notice also offers to grant a Lien on such asset to secure the First Lien Obligations concurrently with the grant of a Lien thereon in favor of the applicable Collateral Agent; or (ii) grant any additional Liens on any asset to secure any First Lien Obligations unless such Grantor gives each Second Lien Representative at least 5 Business Days prior written notice thereof and unless such notice also offers to grant a Lien on such asset to secure the Second Lien Obligations concurrently with the grant of a Lien thereon in favor of the applicable Collateral Agent; and

- (e) to the extent that the foregoing provisions of Section 2.1 or Section 2.9 are not complied with for any reason, without limiting any other rights and remedies available to any First Lien Representative or other First Lien Secured Party, each Second Lien Representative and other Second Lien Secured Party agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.1 or Section 2.9 shall be subject to Section 7.1.

Schedule 5 is hereby incorporated in and made part of this Agreement.

2.2. **Ranking of Obligations**

- (a) All Liens securing the Second Lien Obligations on the Collateral are expressly subordinated and made junior in right, priority, operation and effect to any and all Liens securing the First Lien Obligations granted on such Collateral, notwithstanding any provision of the UCC or any other federal, U.S. State or foreign law or anything contained in this Agreement, the Initial Second Lien Indenture, any Additional Second Lien Debt Agreement or any Second Lien Security Document, or any other agreement or instrument to the contrary or otherwise, and irrespective of the time, order or method of creation, attachment or perfection of any Liens securing the Second Lien Obligations granted on the Collateral and any Liens securing the First Lien Obligations granted on the Collateral or any defect or deficiency or alleged defect or deficiency in any of the foregoing and irrespective of the subordination of any Lien securing any First Lien Obligations to any other Liens. Each Second Lien Representative and Second Lien Collateral Agent for itself and on behalf of the applicable Second Lien Secured Parties expressly agrees that any Lien purported to be granted on any Collateral as security for the First Lien Obligations shall be and remain senior in all respects and prior to all Liens on the Collateral securing any Second Lien Obligations for all purposes regardless of whether the Lien purported to be granted is found to be improperly granted, improperly perfected, preferential, a fraudulent conveyance or legally or otherwise deficient in any manner.
- (b) It is acknowledged that (i) the First Lien Obligations may be extended, renewed, replaced, restructured, refinanced or otherwise amended, restated, supplemented or modified or, subject to Section 2.9, secured with additional assets that shall become Collateral (such Collateral, (x) shall secure First Lien Obligations and shall become First Lien Collateral and (y) shall secure Second Lien Obligations and, shall become Second Lien Collateral), and (ii) the aggregate amount of the First Lien Obligations may be increased from time to time (subject to any limitations set forth in this Agreement and subject to the repayment priority set forth in Section 2.2(e)), all without affecting the ranking or subordination hereunder of the Liens securing the Second Lien Obligations or the provisions of this Agreement defining the relative rights of the First Lien Secured Parties and the Second Lien Secured Parties. The lien priorities provided for herein shall not be altered or otherwise affected by any amendment, modification, supplement, extension, increase, renewal, replacement, restructuring, refinancing or restatement of either the Second Lien Obligations or the First Lien Obligations, by the securing of any First Lien Obligations with any additional assets or guarantees (such assets to be part of the Collateral and (x) shall secure the First Lien Obligations, shall become First Lien Collateral and (y) shall secure the Second Lien Obligations and, shall become Second Lien Collateral), by the release of any First Lien Collateral subject to the terms of the First Lien Debt Documents as of the date hereof, by the failure of any person to comply with any

provision of this Agreement or any agreement evidencing, governing or securing any First Lien Obligation or Second Lien Obligation, or by any action that any Collateral Agent or Secured Party may take or fail to take in respect of any Collateral. Without limiting the foregoing, all existing and any future First Lien Obligations of any class are intended to be secured by the Collateral and all existing and any Second First Lien Obligations of any class are intended to be secured by the Collateral, and the Liens on the Collateral securing such First Lien Obligations will constitute Liens ranking senior to the Liens securing the Second Lien Obligations and each shall be entitled to the benefit of this Agreement.

- (c) It is agreed that the First Lien Representatives will have no obligations to exercise any remedies available to them as a condition to obtaining the benefits of this Section 2 and Section 7.
- (d) The Initial Second Lien Collateral Agent acknowledges receipt of copies of each of the First Lien Security Documents existing on the date hereof and the Designated First Lien Representative represents that it has provided the Initial Second Lien Collateral Agent each of the First Lien Security Documents existing on the date hereof. Each Second Lien Representative on behalf of the applicable Second Lien Secured Parties agrees that the Initial Second Lien Indenture, any Additional Second Lien Debt Agreement and the principal Second Lien Security Documents (to the extent it is not a Shared Security Document) to which such Second Lien Representative is a party will contain the provisions set forth in Annex I hereto under which the applicable Second Lien Secured Parties agree to, and subject their rights to the provisions of, this Agreement as set forth therein.
- (e) To the extent the Liens on Collateral are granted under a Shared Security Document, then the Secured Obligations shall rank in right and priority and payment as follows, first to the First Lien Obligations (other than Excess First Lien Obligations), second to the Second Lien Obligations (other than Excess Second Lien Obligations), third to the Excess First Lien Obligations, and fourth to the Excess Second Lien Obligations.

2.3. No Action with Respect to Second Lien Obligations

- (a) So long as the Discharge of First Lien Obligations (other than Excess First Lien Obligations) has not occurred, no Second Lien Representative nor any other Second Lien Secured Party shall commence or instruct any Second Lien Representative or Second Lien Collateral Agent to commence any Second Lien Enforcement Action. Notwithstanding the foregoing (i) any Second Lien Representative or Second Lien Collateral Agent may, subject to Section 2.7, take all such actions as it shall deem necessary or desirable to cause or continue the perfection of the Liens securing the Second Lien Obligations granted on any such Second Lien Collateral and (ii) except as specifically set forth in clause (b) below and Section 2.5, nothing in this Agreement shall prohibit the receipt by any Second Lien Representative or any Second Lien Secured Parties of the scheduled payments of interest and principal and required payments of other amounts owed in respect of the Second Lien Obligations so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Representatives or any other Second Lien Secured Party of any Second Lien Enforcement Action in contravention of this Agreement.

- (b) A Second Lien Representative or Second Lien Collateral Agent may take any Second Lien Enforcement Action that would otherwise be prohibited by clause (a) above after a period of 180 consecutive days has elapsed since the date on which the Designated Second Lien Representative has delivered to the Designated First Lien Representative and the Parent written notice of an Event of Default under the Second Lien Debt Documents (the “Standstill Period”), *provided, however*, that (i) notwithstanding the expiration of the Standstill Period or anything herein to the contrary, in no event shall any Second Lien Representative or any other Second Lien Secured Party take any Second Lien Enforcement Action that would otherwise be prohibited by clause (a) above if (1) the Designated First Lien Representative or any other First Lien Secured Party or any party appointed under any of the Security Documents shall have commenced, and shall be diligently pursuing (or shall have sought or requested relief from or modification of the automatic stay or any other stay in any Bankruptcy/Liquidation Proceeding to enable the commencement and pursuit thereof) (each case, “**First Lien Collateral Enforcement**”) the enforcement or exercise of any rights or remedies with respect to: (aa) all or a material portion of the Collateral, or (bb) the shares in a material Obligor or any direct holding company of a material Obligor (prompt written notice thereof to be given to each Second Lien Representative and the Parent by the Designated First Lien Representative) or (2) any Obligor is then a debtor under or with respect to (or otherwise subject to) any Bankruptcy/Liquidation Proceeding and (ii) notwithstanding any other provision of this Agreement, after the expiration of the Standstill Period, so long as neither the Designated First Lien Representative nor any other First Lien Secured Parties have commenced any First Lien Collateral Enforcement or no longer are diligently pursuing First Lien Collateral Enforcement (or shall have not sought or requested relief from or modification of the automatic stay or any other stay in any Bankruptcy/Liquidation Proceeding to enable the commencement and pursuit thereof), the Second Lien Secured Parties (or the Designated Second Lien Representative on their behalf) may, subject to the provisions of Section 7 and subject to the Second Lien Secured Parties providing the Designated First Lien Representative with 10 Business Days’ prior written notice of its intention to take any Second Lien Enforcement Action and the Designated First Lien Representative not initiating First Lien Collateral Enforcement during such notice period, take any Second Lien Enforcement Action, including enforcing the Liens securing the Second Lien Obligations with respect to all or any portion of the Collateral, to the extent permitted hereunder. Notwithstanding anything to the contrary set forth herein, each Second Lien Representative and/or, as the case may be under applicable law, any other Second Lien Secured Party may at any time (a) file a claim, proof of claim, statement of interest or similar document or pleading against an Obligor designed to assert and preserve the claims with respect to the Second Lien Obligations, in each case not inconsistent with the terms of this Agreement or applicable law; (b) take any action (not adverse to the Liens on the Collateral securing any First Lien Obligations, the priority status thereof, or the rights of the First Lien Representatives or any of the other First Lien Secured Parties to exercise rights, powers and/or remedies in respect thereof) in order to create, prove, preserve, evidence, perfect or protect (but not enforce or receive any value on account of) its rights in and perfection and priority of its Lien on any of the Collateral; (c) file any necessary or appropriate responsive or defensive pleadings in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Second Lien Secured Parties, including any claims secured by the Collateral securing the Second

Lien Obligations; (d) file any pleadings, objections, motions or arguments which assert rights or interests available to unsecured creditors, in each case not inconsistent with the terms of this Agreement or applicable law; (e) vote on any Plan of Reorganization contemplated or distributed that is not inconsistent with the terms of this Agreement, make other filings and make any arguments, obligations, and motions (including in support of or opposition to, as applicable, the confirmation or approval of any Plan of Reorganization), that are not inconsistent with the terms of this Agreement; (f) if a Bankruptcy Event (other than a U.S. Bankruptcy/Liquidation Proceeding) has occurred in relation to Non-U.S. Obligors, the Designated Second Lien Representative and/or, as the case may be under applicable law, each Second Lien Secured Party may (except during the Standstill Period, if applicable), exercise (or instruct the Designated Second Lien Representative or any other Person to exercise) any right it may otherwise have against that Obligor to: (i) accelerate any of that Obligor's Second Lien Obligations or declare them prematurely due and payable or payable on demand; (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Obligor in respect of any Second Lien Obligations; (iii) exercise any right of set-off or take or receive any payment, prepayment, repayment, redemption, defeasance or discharge in respect of any Second Lien Obligations of that Obligor or (iv) claim and prove in the insolvency process of that Obligor for the Second Lien Obligations owing to it; (g) vote (or instruct any other Person to vote) on any Plan of Reorganization that is not inconsistent with the terms of this Agreement, file any proof of claim, make other filings and making any arguments, obligations, and motions (including in support of or in opposition to, as applicable, the confirmation or approval of any Plan of Reorganization), in each case, in connection with a Bankruptcy/Liquidation Proceeding (other than a US Bankruptcy/Liquidation Proceeding) and that are not inconsistent with the terms of this Agreement and (h) take any Second Lien Enforcement Action after the Discharge of the First Lien Obligations (other than Excess First Lien Obligations).

2.4. No Duties of Designated First Lien Representative

Each Second Lien Secured Party acknowledges and agrees that neither the Designated First Lien Representative nor any other First Lien Secured Party shall (except as otherwise set forth in Section 3 hereof and Schedule 2) have any duties or other obligations to such Second Lien Secured Party with respect to any Collateral, other than (except to the extent otherwise required by law) to transfer to the Designated Second Lien Representative or the Second Lien Collateral Agent (if the Discharge of Second Lien Obligations has not occurred) any net proceeds of any such Collateral that constitutes Second Lien Collateral remaining in its possession following any sale, transfer or other disposition of such Collateral and the Discharge of First Lien Obligations, or, if the First Lien Collateral Agent shall be in possession of all or any part of such Collateral after the Discharge of First Lien Obligations and there are then any Second Lien Obligations outstanding, such Collateral or any part thereof remaining, in each case without representation or warranty on the part of the Designated First Lien Representative or any other First Lien Secured Party. In furtherance of the foregoing, each Second Lien Representative, for itself and each other Second Lien Secured Party that it represents acknowledges and agrees that until the Discharge of First Lien Obligations, the First Lien Representatives and First Lien Collateral Agents shall be entitled, subject to the express terms of this Agreement, including Schedule 2, and except as expressly set forth herein, for the benefit of the holders of the First Lien Obligations, to sell, transfer or otherwise dispose of or deal with the Collateral as provided herein and in the First Lien

Security Documents, without regard to any Lien securing the Second Lien Obligations granted on the Collateral or any rights to which the holders of the Second Lien Obligations would otherwise be entitled as a result of such Lien. Without limiting the foregoing and subject to Clause 4 of Schedule 4 and Schedule 2, each Representative for itself and for each Second Lien Secured Party that it represents agrees that neither the Designated First Lien Representative nor any other First Lien Secured Party shall have any duty or obligation first to marshal or realize upon any type of Collateral (or any other collateral securing the First Lien Obligations), or to sell, dispose of or otherwise liquidate all or any portion of the Collateral (or any other collateral securing the First Lien Obligations), in any manner that would maximize the return to the Second Lien Secured Parties, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of net proceeds actually received by the Second Lien Secured Parties from such realization, sale, disposition or liquidation. Each Second Lien Representative, for itself and each other Second Lien Secured Party that it represents waives any claim such Second Lien Secured Party may now or hereafter have against the Designated First Lien Representative or any other First Lien Representative or any other First Lien Secured Party (or their representative) arising out of (a) any actions (other than those required or not permitted, as applicable, hereunder) which the Designated First Lien Representative or the other First Lien Secured Parties take or omit to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the First Lien Obligations from any account debtor, guarantor or any other party) in accordance with the First Lien Security Documents or any other agreement related thereto or to the collection of the First Lien Obligations or the valuation, use, protection or release of any Collateral (subject to Section 3 and Schedule 2), (b) any election by the Designated First Lien Representative or First Lien Secured Parties, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code, provincial or territorial law and/or (c) any borrowing by any Obligor as debtor in possession, or any related grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code. The First Lien Secured Parties, on the one hand, and the Second Lien Secured Parties, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of Parent and its Subsidiaries and all endorsers and/or guarantors of the First Lien Obligations or the Second Lien Obligations and (b) all other circumstances bearing upon the risk of non-payment of the First Lien Obligations or the Second Lien Obligations.

2.5. **No Interference**

Each Second Lien Representative and each Second Lien Collateral Agent, for themselves and each other Second Lien Secured Party they represent agree that they will not: (a) take or cause to be taken: any action the purpose or effect of which is, or could be: (i) to make any Lien on the Collateral securing any of the Second Lien Obligations *pari passu* with; or (ii) to give such Second Lien Secured Party any preference or priority relative to, any Lien on the Collateral securing any of the First Lien Obligations and it will not challenge, or support any other Person in challenging, in any proceeding (including in any Bankruptcy/Liquidation Proceeding) the validity or enforceability of any First Lien Obligations or First Lien Security Document, or the validity, attachment, perfection or priority of any Lien on the Collateral securing or purporting to secure any of the First Lien Obligations, or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (b) except in connection with the taking of any Second Lien Enforcement Action

permitted under Section 2.3(b) (“**Second Lien Permitted Actions**”), interfere with, hinder or delay in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral or any other exercise of remedies permitted to be taken by any First Lien Representative, any First Lien Collateral Agent or any holder of First Lien Obligations pursuant to the First Lien Debt Documents against any Collateral or any forbearance thereof, in each case, by any holders of First Lien Obligations or any First Lien Representative or First Lien Collateral Agent acting on their behalf, (c) (i) direct any First Lien Representative, any First Lien Collateral Agent or any holder of First Lien Obligations to exercise any right, remedy or power with respect to the Collateral or (ii) except in connection with the taking of any Second Lien Permitted Actions, consent to the exercise by any First Lien Representative, any First Lien Collateral Agent or any holder of First Lien Obligations of any right, remedy or power with respect to the Collateral, it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against any First Lien Representative, any First Lien Collateral Agent or any holder of First Lien Obligations seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to, and none of any First Lien Representative, any First Lien Collateral Agent or any holder of First Lien Obligations shall be liable for, any action taken or omitted to be taken by any such First Lien Representative, First Lien Collateral Agent or any such holder of First Lien Obligations with respect to any Collateral securing such First Lien Obligations; *provided* that nothing in this clause shall prevent any Second Lien Secured Party from asserting or seeking to enforce any provision of this Agreement or any provision of any Second Lien Security Document (to the extent not prohibited by this Agreement) and it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement in its capacity as a lien creditor.

Each First Lien Representative and each First Lien Collateral Agent, for themselves and each other First Lien Secured Party they represent agree that they will not: (a) take or cause to be taken any action the purpose or effect of which is to: challenge, or support any other Person in challenging, in any proceeding (including in any Bankruptcy/Liquidation Proceeding) the validity or enforceability of any Second Lien Obligations or Second Lien Security Document, or the validity, attachment, perfection, ranking or junior priority of any Lien on the Collateral securing or purporting to secure any of the Second Lien Obligations, or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (b) interfere with, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral or any other exercise of remedies permitted to be taken by any Second Lien Representative, any Second Lien Collateral Agent or any holder of Second Lien Obligations pursuant to the Second Lien Debt Documents against any Collateral or any forbearance thereof, in each case, by any holders of Second Lien Obligations or the Second Lien Representative or Second Lien Collateral Agent acting on their behalf pursuant to any Second Lien Permitted Action, (c) (i) direct any Second Lien Representative, any Second Lien Collateral Agent or any holder of Second Lien Obligations to exercise any right, remedy or power with respect to the Collateral or (ii) consent to the exercise by any Second Lien Representative, any Second Lien Collateral Agent or any holder of Second Lien Obligations of any right, remedy or power with respect to the Collateral, it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against any Second Lien Representative, any Second Lien Collateral Agent or any holder of Second Lien Obligations seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to, and none of any Second Lien Representative, any Second Lien Collateral Agent or any holder

2.6. Automatic Release of Second Liens

- (a) The Designated First Lien Representative, for itself and on behalf of the First Lien Secured Parties, will have the exclusive right (subject to the provisions of the First Lien Debt Documents) to make determinations regarding the release of any Collateral, without consultation with, consent, sanction, authority or further confirmation from, or notice to, any Second Lien Representative or any other Second Lien Secured Party.
- (b) If (i) in connection with any sale, lease, exchange, transfer or other disposition (any of the foregoing, a “**Disposition**”) of any Collateral or any Authorised Merger, in each case permitted under the terms of the First Lien Debt Documents as in effect on the date hereof or as amended, restated, supplemented or otherwise modified in a manner not inconsistent with this Agreement, (ii) in connection with a Disposition or Authorised Merger consented to by the Required First Lien Creditors, (iii) in connection with the exercise of the Designated First Lien Representative’s or any First Lien Collateral Agent’s remedies in respect of the Collateral, including any Distressed Disposal or (iv) in connection with a sale under Section 363 of the Bankruptcy Code (clauses (i) through (iv) above, each a “**Release Event**”), any First Lien Collateral Agent and/or the International Security Agent, for itself and on behalf of the other First Lien Secured Parties releases any of the First Liens (a “**Release**”), then, as applicable and subject always to Schedule 2: (AA) the Liens (or any other claims) on such Collateral securing any Second Lien Obligations shall be automatically, unconditionally and simultaneously released and terminated, or (BB) in any situation where such automatic release is not effective, the First Lien Collateral Agent and/or the International Security Agent are hereby irrevocably authorized (without further consent, sanction, authority or confirmation from any party) to release and terminate the Liens (or any other claim) over the Collateral securing any Second Lien Obligations and execute and deliver or enter into any release of such Liens or claim and issue any letters of non-crystallisation of any floating charge or any ancillary document or consent to dealing that may, in the reasonable discretion of the First Lien Collateral Agent and/or the International Security Agent and not in contravention of applicable law (each actions taken, to be at the sole expense of the Obligors), be considered necessary or desirable, but in each case the Liens shall not be deemed to have been released from the proceeds of such Collateral that were not applied to reduce permanently the First Lien Obligations, and each Second Lien Representative, each Second Lien Collateral Agent and the International Security Agent shall, for itself and on behalf of the other Second Lien Secured Parties it represents, promptly execute and deliver to the Designated First Lien Representative, the First Lien

Collateral Agents and the applicable Obligors such termination statements, releases, assignments and other documents as the Designated First Lien Representative, First Lien Collateral Agent or such Obligor may reasonably request to effectively confirm such Release; provided that the Releases with respect to the Collateral securing such Second Lien Obligations shall be substantially similar and in no event shall release more Collateral than the Release of the Collateral securing the related First Lien Obligations and any conditions to the Release of the Collateral securing the First Lien Obligations (after giving effect to any amendments, waivers, supplements or modifications thereto) shall be a condition permitted to be included in the Second Lien Release (it being understood and agreed, for the avoidance of doubt, that this provision shall in no way give the Second Lien Secured Parties consent rights to Release of Collateral). Similarly, if the Equity Interests of any Person are foreclosed upon and in accordance with applicable law or otherwise disposed of pursuant to a Release Event and in connection therewith the First Lien Collateral Agents release the First Liens on the property or assets of such Person or releases such Person from its guarantee of First Lien Obligations, then subject to Schedule 2 (if applicable) the Second Liens on such property or assets of such Person and such Person's guarantee of Second Lien Obligations shall be automatically released to the same extent.

- (c) Schedule 2 is hereby incorporated in and made part of this Agreement.
- (d) Until the Discharge of First Lien Obligations, each Second Lien Representative and the Second Lien Collateral Agent, for itself and on behalf of the Second Lien Secured Parties it represents hereby irrevocably constitutes and appoints the Designated First Lien Representative and the First Lien Collateral Agent (each acting individually) and any officer or agent of the Designated First Lien Representative or the First Lien Collateral Agent with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Lien Representative, Second Lien Collateral Agent or such holder or in the Designated First Lien Representative's or First Lien Collateral Agent's own name, from time to time in the Designated First Lien Representative's or First Lien Collateral Agent's discretion, for the purpose of carrying out the terms of this Section 2.6 to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Section 2.6, including any endorsements or other instruments of transfer or release.

2.7. **Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings**

- (a) In the event of a U.S. Bankruptcy/Liquidation Proceeding, each Second Lien Representative and the other Second Lien Secured Parties shall not, unless and until all First Lien Obligations (other than the Excess First Lien Obligations) have been Discharged, directly or indirectly:
 - (i) object to, oppose, support any objection, or take any other action to impede relief from the automatic or other stay as provided in Section 362 of the Bankruptcy Code or under any other applicable U.S. federal, state, provincial or territorial laws sought by any First Lien Secured Party or any First Lien Representative on their behalf or seek any relief from or modification of the automatic or other stay as provided in Section 362 of the Bankruptcy Code or under any other applicable U.S. federal, state, provincial or territorial laws, except to the extent (A) the First Lien Secured Parties or the Designated First Lien Representative request and obtain relief or modification of

the automatic or other stay or (B) the Second Lien Secured Parties have provided the DIP Financing in accordance with clause (a)(v) below and are entitled to exercise their rights in accordance therewith (and proceeds of enforcement are first paid to the First Lien Secured Parties);

(ii) seek or accept any form of adequate protection under either or both of Sections 362 and 363 of the Bankruptcy Code or under any other applicable U.S. federal, state, provincial or territorial laws or otherwise with respect thereto, except that the Second Lien Representative and the other Second Lien Secured Parties may seek and accept adequate protection (A) in the form of additional and/or replacement Liens and super priority claims (as to which any First Lien Secured Party hereby consents), so long as (x) adequate protection has been (or simultaneously will be) granted to any First Lien Representative and any First Lien Secured Parties and (y) such adequate protection shall be junior to the Liens on the Collateral securing or granted as adequate protection for the First Lien Obligations, (B) to the extent consented to by the Designated First Lien Representative or (C) in the form of payments of current incurred reasonable out of pocket fees and expenses of advisors to the extent that the First Lien Secured Parties are granted adequate protection in the form of current incurred reasonable out of pocket fees and expenses of advisors;

(iii) object to, oppose, support any objection, or take any other action to impede any adequate protection sought by or granted to any First Lien Secured Party in any form in connection with the use of cash collateral or post-petition financing under Section 362, 363 or 364 of the Bankruptcy Code or under any other applicable law or otherwise,

(iv) object to, oppose, support any objection, or take any other action to impede the use of cash collateral by an Obligor that the Designated First Lien Representative desires to consent to unless the Second Lien Secured Parties are required to release their lien on the cash collateral to a greater extent than the First Lien Secured Parties,

(v) object to, oppose, support any objection, or take any other action to impede (and will consent, solely in its capacity as a secured creditor, to) any debtor in possession financing provided by any of the First Lien Secured Parties or provided by a third party pursuant to Section 364 of the Bankruptcy Code or under any other applicable U.S. federal, state, provincial or territorial law or otherwise (including on a priming basis) (a "DIP Financing") unless the First Lien Required Creditors shall have opposed or objected to such DIP Financing or (y) offer or provide any DIP Financing, except that the Second Lien Secured Parties may offer DIP Financing if (i) none of the First Lien Secured Parties provide DIP Financing and (ii) any such DIP financing does not (A) provide for liens or claims that are senior or equal to the liens or adequate protection claims relating to the First Lien Obligations, (B) exceed 50% of the principal amount of Second Lien Obligations outstanding on the date of the commencement of the applicable U.S. Bankruptcy/Liquidation Proceeding by the applicable Obligor, (C) require a specific Plan of Reorganization or the sale of assets prior to a default under the definitive documentation evidencing the DIP Financing, (D) require payment in cash upon plan confirmation (but instead will provide for payment in any form of cash, debt or equity having value equal to the amount of the DIP Financing unless the First Lien Obligations are required to be first paid in full in cash), (E) prohibit any First Lien Secured Party from

objecting to same or (F) have provisions that are otherwise inconsistent with terms of this Agreement,

(vi) object to, oppose, support any objection, or take any other action to impede the determination of the extent of any Liens held by any of the First Lien Secured Parties or the value of any claims of First Lien Secured Parties in respect of the First Lien Obligations under Section 506(a) of the Bankruptcy Code or under any other applicable law or otherwise,

(vii) object to, oppose, support any objection, or take any other action to impede the allowance and payment of interest (including, without limitation, any interest which accrues (or would accrue but for the operation of applicable bankruptcy or insolvency laws) after the commencement of any Bankruptcy/Liquidation Proceeding, whether or not allowed or allowable as a claim in any such proceeding), fees, and expenses as provided under Section 506(b) of the Bankruptcy Code or under any other applicable law or otherwise to any First Lien Secured Party.

(viii) directly or indirectly propose, sponsor, support, agree to or vote in favor of any Plan of Reorganization that (A) is inconsistent with the express terms of this Agreement or (B) does not require the payment in full in cash of the First Lien Obligations, in each case, unless the Required First Lien Creditors desire to consent (or not object) to such Plan of Reorganization,

(ix) object to, oppose, support any objection to, or take any other action to impede (and instead shall be deemed to have consented) any disposition of any Collateral (including any credit bid under Section 363(k) of the Bankruptcy Code or under any other applicable U.S. federal, state, provincial or territorial law or otherwise) free and clear of the Liens on the Collateral securing the Second Lien Obligations or other claims under Section 363 of the Bankruptcy Code or otherwise (so long as the respective interests of the Second Lien Secured Parties (including the Second Liens) attach to any net proceeds thereof subject to the relative priorities in this Agreement and the right of the Second Lien Secured Parties to credit bid upon their interests is not limited in such sale subject to the Discharge of the First Lien Obligations (other than Excess First Lien Obligations) in such sale), if the requisite First Lien Secured Parties, or a representative authorized by the First Lien Secured Parties, have consented to such disposition.

To the extent any Liens granted in favor of the First Lien Secured Parties that are providing, or any third party provider of, DIP Financing are senior to, or rank *pari passu* with, the Liens on the Collateral securing the First Lien Obligations or provided as adequate protection therefor, each Second Lien Representative and Second Lien Collateral Agent will, for itself and on behalf of the other Second Lien Secured Parties, subordinate the Liens on the Collateral securing the Second Lien Obligations to the Liens on the Collateral securing the First Lien Obligations or provided as adequate protection therefor and such Liens on the Collateral granted to the First Lien Secured Parties providing such DIP Financing, or such third party provider, on the terms of this Agreement and to any “carve-out” for the fees and expenses of the Obligors and any committee agreed to by the First Lien Representatives or the other First Lien Secured Parties. This Agreement constitutes a “subordination agreement” under Section 510 of the Bankruptcy Code as well as all other applicable U.S. federal, state, provincial or territorial laws.

- (b) Each Representative and Collateral Agent, for itself and on behalf of each Secured Party that it represents, acknowledges and agrees that (i) the grants of Liens pursuant to the First Lien Debt Documents and the Second Lien Debt Documents constitute separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and must, whenever possible, be separately classified in any Plan of Reorganization or similar dispositive restructuring plan proposed, confirmed, or adopted in a Bankruptcy/Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the First Lien Secured Parties and the Second Lien Secured Parties in respect of the Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Representative and Collateral Agent, for itself and on behalf of each Secured Party it represents, hereby acknowledges and agrees that all distributions from the Collateral shall be made as if there were separate classes of senior and junior secured claims against the Obligor in respect of such Collateral (with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, and expenses (whether or not allowed or allowable in such Bankruptcy/Liquidation Proceeding) before any distribution is made from the Collateral in respect of the Second Lien Obligations, with each Second Lien Representative and Second Lien Collateral Agent, for themselves and on behalf of each Second Lien Secured Party they represent, hereby acknowledging and agreeing to turn over to the Designated First Lien Representative amounts otherwise received or receivable by them from the Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Lien Secured Parties.
- (c) No Second Lien Representative nor any other Second Lien Secured Party shall oppose or seek to challenge any claim by any First Lien Representative or any other First Lien Secured Party for allowance in any Bankruptcy/Liquidation Proceeding of First Lien Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision (if any) of any other applicable law or otherwise to the extent such claim relates to First Lien Obligations (other than Excess First Lien Obligations). No First Lien Representative nor any other First Lien Secured Party shall oppose or seek to challenge any claim by any Second Lien Representative or any other Second Lien Secured Party for allowance in any Bankruptcy/Liquidation Proceeding of Second Lien Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provisions of any other applicable U.S. federal, state, provincial or territorial law, to the extent of the value of the Lien of the Second Lien Representative(s) or Second Lien Collateral Agent(s) on behalf of the Second Lien Secured Parties on the Collateral (after taking into account the First Lien Obligations).
- (d) If, in any U.S. Bankruptcy/Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor ("Reorganization Securities") are distributed pursuant to a Plan of Reorganization, arrangement, compromise or liquidation or similar dispositive restructuring plan, both

on account of First Lien Obligations and on account of Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

- (e) Each of the Designated First Lien Representative, on behalf of the First Lien Secured Parties, and the Second Lien Representative, on behalf of the Second Lien Secured Parties, agrees that (i) it shall not assert or enforce (or cause any other Person to assert) any claim under Section 506(c) of the Bankruptcy Code or any similar provisions of any other applicable U.S. federal, state, provincial or territorial law senior to or on a parity with the First Liens or the Second Lien, as applicable, of the other Secured Parties for costs or expenses of preserving or disposing of such Collateral and (ii) it waives any claim it may hereafter have against the other Secured Party arising out of the election by such Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provisions of any other applicable U.S. federal, state, provincial or territorial law with respect to the Collateral.
- (f) Schedule 3 is hereby incorporated in and made part of this agreement.

2.8. **Reinstatement**

In the event that (i) the Discharge or any payment of First Lien Obligations shall have occurred and any of such First Lien Obligations shall subsequently, for whatever reason (including, but not limited to, an order or judgment for disgorgement or avoidance of a preference under the Bankruptcy Code, fraudulent transfer, or any other law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto with respect to the amount returned or repaid until there shall thereafter have been a Discharge of First Lien Obligations and (ii) the Designated First Lien Representative, the First Lien Collateral Agent(s) or the other First Lien Secured Parties have released any Lien on Collateral and any such Liens are later reinstated, then the Second Lien Collateral Agent, for itself and the benefit of the Second Lien Secured Parties, shall be granted a second priority Lien on such Collateral, subject to the subordination provisions of this Agreement.

2.9. **New Liens**

Each Obligor agrees that, so long as the Discharge of First Lien Obligations has not occurred, it shall not (i) grant any additional Liens on any asset or property of any Obligor to secure any Second Lien Obligation unless a Lien has been granted or concurrently will grant a lien on such asset or property to secure the First Lien Obligations, with each such Lien to be subject to the provisions of this Agreement, or (ii) grant any additional Liens on any asset or property of any Obligor to secure any First Lien Obligations unless a Lien has been granted or concurrently will grant a lien on such asset to secure the Second Lien Obligations, with each such Lien to be subject to the provisions of this Agreement. If any Second Lien Representative or any Second Lien Secured Party shall hold or be granted any Lien on any assets or property of any Obligor securing any Second Lien Obligations that are not also subject to the first-priority Liens securing all First Lien Obligations under the First Lien Debt Documents, such Second Lien Representative or Second Lien Secured Party (i) shall notify the Designated First Lien Representative promptly upon becoming aware thereof and, unless

such Obligor shall promptly grant a similar Lien on such assets or property to each First Lien Representative as security for the First Lien Obligations, shall assign such Lien to the Designated First Lien Representative (or a First Lien Collateral Agent designated by it) as security for all First Lien Obligations for the benefit of the First Lien Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each First Lien Representative, shall be deemed to hold and have held such Lien for the benefit of each First Lien Representative and the other First Lien Secured Parties as security for the First Lien Obligations. To the extent that the foregoing provisions are not complied with for any reason, without limiting any other rights and remedies available to the First Lien Representatives and/or the other First Lien Secured Parties, each Second Lien Representative and Second Lien Collateral Agent, on behalf of the Second Lien Secured Parties, agrees that any amounts received by or distributed to any of them pursuant to or as a result of Liens granted in contravention of this Section 2.9 shall be subject to Section 7.1.

2.10. **Injunctive Relief**

Should any Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any Representative or any other Secured Party (in its or their own name) may obtain relief against such Secured Party by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by each Representative on behalf of each Secured Party that (a) the Secured Parties' damages from its actions may by that time be difficult to ascertain and may be irreparable and (b) each Secured Party waives any defense that the Secured Party cannot demonstrate damage and/or be made whole by the awarding of damages.

2.11. **Second Lien Representative and the Second Lien Secured Parties Additional Rights as Creditors**

- (a) Each Second Lien Representative and the Second Lien Secured Parties may exercise rights and remedies as unsecured creditors in Bankruptcy/Liquidation Proceedings against any Obligor that is obligated to pay or has guaranteed the Second Lien Obligations in accordance with the terms of the Second Lien Debt Documents and any Requirements of Law; *provided* that no Second Lien Representative or Second Lien Secured Party shall, in any capacity, exercise any rights or remedies or take any actions expressly prohibited by Sections 2.7(a)(iii), (a)(iv), (a)(v) or (a)(ix) of this Agreement.
- (b) Except as otherwise set forth in this Agreement, but subject to the terms of the First Lien Debt Documents, nothing in this Agreement shall prohibit or subordinate (whether before or after the occurrence of Bankruptcy/Liquidation Proceedings) the receipt, or the right to receive, by the Second Lien Representatives or any other Second Lien Secured Parties of the scheduled payments of interest, principal and premiums (if any) or other payments due under the Second Lien Debt Documents so long as such receipt is not the direct or indirect result of the exercise by the Second Lien Representatives or any other Second Lien Secured Parties of rights or remedies as a secured creditor (including set-off) or enforcement in contravention of this Agreement of any Lien held by any of them and such receipt is not proceeds of any Collateral or in such Person's capacity as a secured creditor in respect of Collateral.

In the event any Second Lien Representative or any Second Lien Secured Party becomes a judgment lien creditor or other secured creditor, in each case, in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of the Second Lien Obligations, such judgment Lien shall become subject to the terms of this Agreement for all purposes (including in relation to the First Lien Obligations) as the other Liens securing the Second Lien Obligations are subject to this Agreement.

2.12. **Insurance and Condemnation Awards**

Unless and until the Discharge of First Lien Obligations has occurred, the Designated First Lien Representative and the First Lien Secured Parties shall have the sole and exclusive right, subject to the rights of the Obligors under the First Lien Debt Documents, (a) to adjust settlement for any insurance policy covering the Collateral in the event of any loss thereunder, and (b) to approve any award granted in any condemnation or similar proceeding affecting the Collateral. Unless and until the Discharge of First Lien Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of First Lien Obligations, to the Designated First Lien Representative for the benefit of First Lien Secured Parties pursuant to the terms of the First Lien Debt Documents, (ii) second, after the occurrence of the Discharge of First Lien Obligations, to the Designated Second Lien Representative or any Second Lien Collateral Agent for the benefit of the Second Lien Secured Parties pursuant to the terms of the applicable Second Lien Debt Documents, and (iii) third, after the occurrence of the Discharge of the Second Lien Obligations, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. For the avoidance of doubt, prior to the Discharge of the First Lien Obligations, if any Second Lien Representative or any Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Designated First Lien Representative in accordance with the terms of Section 7.

2.13. **Enforcement of Collateral**

Schedule 4 is hereby incorporated in and made part of this Agreement.

3. **SUB-AGENCY FOR PERFECTION OF CERTAIN SECURITY INTERESTS**

Each First Lien Representative and First Lien Collateral Agent acknowledges and agrees that if it shall at any time hold a Lien on any Second Lien Collateral that can be perfected by the possession or control of such Collateral or, to the extent applicable under any Security Documents, of any account in which such Collateral is held, and if such Collateral or any such account is in fact in the possession or under the control of such First Lien Representative or First Lien Collateral Agent (such Second Lien Collateral being the “Pledged Collateral”), such First Lien Representative or First Lien Collateral Agent will serve as gratuitous sub-agent or bailee for each applicable Second Lien Representative or Second Lien Collateral Agent for the sole purpose of perfecting the Lien, if any, of such Second Lien Representative or Second Lien Collateral Agent in such Pledged Collateral and shall have possession or control of such Pledged Collateral as agent on behalf of each applicable Second Lien Representative or Second Lien Collateral Agent. It is agreed that the obligations of each First Lien Representative and First Lien Collateral Agent and the rights of each Second Lien Representative, Second Lien Collateral Agent and the other Second Lien Secured Parties in connection with any such sub-agency arrangement will be in all respects subject to the

provisions of this Agreement. Subject to the terms of this Agreement, until the Discharge of First Lien Obligations has occurred, the First Lien Representatives and First Lien Collateral Agents shall be entitled to deal with the Pledged Collateral in accordance with the terms of the First Lien Debt Documents as if the Liens of the Second Lien Secured Parties under the Second Lien Security Documents did not exist. The First Lien Representatives and First Lien Collateral Agents will be deemed to make no representation as to the adequacy of the steps taken by it or any of them to perfect the Lien on any such Pledged Collateral and shall have no responsibility to the Second Lien Representatives or any other Second Lien Secured Party for such perfection; it being understood that the sole purpose of this Section 3 is to enable the Second Lien Secured Parties to obtain a perfected second priority Lien on such Pledged Collateral to the extent that such perfection results from the possession or control of such Pledged Collateral or, to the extent applicable under any Security Documents, any such account by the First Lien Representatives or First Lien Collateral Agents. At such time as the Discharge of First Lien Obligations shall have occurred, the applicable First Lien Representatives and First Lien Collateral Agents shall take all such actions in their power as shall reasonably be requested by the Designated Second Lien Representative to transfer possession of such Pledged Collateral to the Designated Second Lien Representative or Second Lien Collateral Agent or to transfer direct control of such Pledged Collateral or, to the extent applicable under any Security Documents, any such account to the Designated Second Lien Representative or Second Lien Collateral Agent (if there are then any Second Lien Obligations outstanding); *provided* that if any such Pledged Collateral or any such account shall be subject to any other Lien senior to the Liens of the Designated Second Lien Representative or any other Second Lien Secured Party on the Collateral, then the First Lien Representatives or First Lien Collateral Agents may instead transfer possession of such Pledged Collateral to the Person or Persons holding such senior Lien or their representative or take such actions in its power as shall reasonably be requested to transfer direct control of such Pledged Collateral or any such account to the Person or Persons holding such senior Lien or their representative. The Second Lien Representatives and Second Lien Collateral Agents agree that if they shall obtain possession or direct control of any Pledged Collateral or any account pursuant to the foregoing provisions and such Pledged Collateral or account shall thereafter become subject to a Lien securing the First Lien Obligations, it will take all such actions as shall reasonably be requested by the Designated First Lien Representative to transfer possession of such Pledged Collateral to the Designated First Lien Representative or the First Lien Collateral Agent or take such actions in its power as shall reasonably be requested to transfer direct control of such Pledged Collateral or any such account to the Designated First Lien Representative or First First Lien Collateral Agent, all at the cost and expense of the Issuer. Each First Lien Representative and First Lien Collateral Agent shall not have by reason of the Second Lien Debt Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Lien Representative or any Second Lien Secured Party, and each, Second Lien Representative, for itself and on behalf of each Second Lien Secured Party for which it is representative, hereby waives and releases the Designated First Lien Representatives from all claims and liabilities arising pursuant to the Designated First Lien Representatives' roles under this Section 3 as sub-agents and gratuitous bailees with respect to the Collateral. This Section 3 shall apply, *mutatis mutandis*, to each First Lien Collateral Agent holding a Lien on any Pledged Collateral for each applicable Second Lien Collateral Agent.

4. **EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS**

Whenever any Representative or Collateral Agent shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any First Lien Obligations or Second Lien Obligations, or the existence of any Lien securing any such obligations, or the Collateral subject to any such Lien, it may request that such information be furnished to it in writing by the First Lien Representatives or the Second Lien Representatives and shall be entitled to make such determination on the basis of the information so furnished; *provided, however*, that if, notwithstanding the request of such Representative, such Representative shall fail or refuse reasonably promptly to provide the requested information, such Representative shall be entitled to determine such existence or amount by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Issuer or the Parent. Each Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Secured Party or any Affiliate thereof as a result of such determination.

5. **CONSENT OF OBLIGORS**

Each Obligor hereby consents to the provisions of this Agreement and the intercreditor arrangements provided for herein and agrees that the obligations of the Obligors under the Debt Documents will in no way be diminished or otherwise affected by such provisions or arrangements.

6. **REPRESENTATIONS AND WARRANTIES OF EACH REPRESENTATIVE AND COLLATERAL AGENT**

Each Representative and Collateral Agent represents and warrants to the other parties hereto that it has the requisite power and authority to enter into, execute, deliver, and carry out the terms of this Agreement on behalf of itself and the applicable First Lien Secured Parties (in the case of the First Lien Representatives and First Lien Collateral Agents) and the applicable Second Lien Secured Parties (in the case of each Second Lien Representatives and the Second Lien Collateral Agents).

7. **APPLICATION OF PROCEEDS**

7.1. **Payment Over**

- (a) Unless and until the Discharge of First Lien Obligations (other than Excess First Lien Obligations) has occurred (irrespective of whether any Bankruptcy/Liquidation Proceeding has been commenced by or against any Obligor), any Collateral, or proceeds thereof, including assets or proceeds subject to Liens referred to in Section 2.1(e), Section 2.9 or Section 2.11, received by any Second Lien Representative or Second Lien Secured Party in connection with an Enforcement Action (as defined in Schedule 1) with respect to the Collateral by any Second Lien Representative or Second Lien Secured Party, shall be segregated and held in trust and forthwith paid over to, or with respect to the Liens referenced in this clause (a) forthwith assigned to, the Designated First Lien Representative for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. The Designated First Lien

Representative is hereby authorized to make any such endorsements as agent for the Second Lien Secured Parties and this authorization is coupled with an interest and is irrevocable until the Discharge of the First Lien Obligations (other than Excess First Lien Obligations).

- (b) Unless and until the Discharge of the First Lien Obligations (other than Excess First Lien Obligations) has occurred, if an Obligor (or any of its assets) is the subject of a Bankruptcy/Liquidation Proceeding and if any distribution (other than a distribution on account of an unsecured claim of a Second Lien Representative or Second Lien Secured Party) is received by a Second Lien Representative or Second Lien Secured Party on account of their Second Lien Secured Claims in connection with such Bankruptcy/Liquidation Proceeding (unless such distribution is made under a confirmed Plan of Reorganization or liquidation of such Obligor that is accepted by the requisite affirmative vote of all classes composed solely of the secured claims of the First Lien Secured Parties or otherwise provides for the Discharge of the First Lien Obligations (other than Excess First Lien Obligations)), then such distribution shall be segregated and held in trust and forthwith paid over to the Designated First Lien Representative for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct. For the avoidance of doubt, unless and until the Discharge of the First Lien Obligations (other than Excess First Lien Obligations) has occurred, each Second Lien Representative and Second Lien Secured Party shall be required to turn over to the Designated First Lien Representative and the Designated First Lien Representative shall be entitled to apply (or, in the case of non-cash proceeds, hold) in accordance with Section 7.2 any cash or non-cash distribution (other than a non-cash distribution on account of an unsecured claim of a Second Lien Representative or Second Lien Secured Party) received by the Second Lien Secured Parties on account of their Second Lien Secured Claims pursuant to a confirmed Plan of Reorganization or liquidation of an Obligor (unless such distribution is made under a confirmed Plan of Reorganization or liquidation of such Obligor that is accepted by the requisite affirmative vote of all classes composed solely of the secured claims of the First Lien Secured Parties or otherwise provides for the Discharge of the First Lien Obligations (other than Excess First Lien Obligations) irrespective of whether such Plan of Reorganization (or any final non-appealable order by a court of competent jurisdiction in respect thereof) purports to find that the distribution to the First Lien Secured Parties pays the First Lien Obligations in full. The Designated First Lien Representative (or a First Lien Collateral Agent on its behalf) is hereby authorized to make any such endorsements as agent for the Second Lien Secured Parties and this authorization is coupled with an interest and is irrevocable until the Discharge of the First Lien Obligations (other than Excess First Lien Obligations).

7.2. Application of Proceeds

- (a) Regardless of whether a Bankruptcy/Liquidation Proceeding has been commenced by or against any Obligor, any Collateral, or proceeds thereof, received in connection with any Enforcement Action and any Collateral or proceeds thereof (or amounts distributed on account of a Lien in the Collateral or the proceeds thereof) received in connection with any Bankruptcy/Liquidation Proceeding involving an Obligor shall (at such time as such Collateral or proceeds or other amounts have been monetized)

be applied as set out below (in each case, for the avoidance of doubt, excluding the operation of any “parallel debt” provisions herein):

- (i) first, to the payment in full in cash of costs and expenses of any First Lien Representative, the International Security Agent or any First Lien Secured Party (other than the Holders (as defined in the Initial First Lien Indenture)) in connection with such Enforcement Action or Bankruptcy/Liquidation Proceeding or to a Second Lien Representative, Second Lien Collateral Agent or Second Lien Secured Party (other than the Holders (as defined in the Initial Second Lien Indenture)) in connection with such Enforcement Action,
- (ii) second, on a pro rata and pari passu basis, to the reimbursement to the relevant First Lien Secured Parties and/or the Second Lien Secured Parties of any amount effectively paid on account of *Soulte* by such First Lien Secured Parties and/or such Second Lien Secured Parties,
- (iii) third, to the payment in full in cash of the First Lien Obligations (other than Excess First Lien Obligations) in accordance with the First Lien Debt Documents,
- (iv) fourth, to the extent not covered by clause (i) above, to the payment in full in cash of costs and expenses of a Second Lien Representative or any Second Lien Secured Party (other than the Holders (as defined in the Initial Second Lien Indenture)) in connection with such Enforcement Action or Bankruptcy/Liquidation Proceeding (to the extent Second Lien Representative’s Enforcement Action or action in the Bankruptcy/Liquidation Proceeding was permitted hereunder),
- (v) fifth, to the payment in full in cash of the Second Lien Obligations (other than Excess Second Lien Obligations) in accordance with the Second Lien Debt Documents,
- (vi) sixth, to the payment in full in cash of the Excess First Lien Obligations in accordance with the First Lien Debt Documents,

- (b) If any Enforcement Action with respect to the Collateral produces non-cash proceeds, then such non-cash proceeds shall be held by a First Lien Representative or First Lien Collateral Agent as additional collateral and, at such time as such non-cash proceeds are monetized, shall be applied in the order of application set forth above. For the

avoidance, any non-cash proceeds held by a First Lien Representative or First Lien Collateral Agent shall be deemed to not reduce the amount of First Lien Obligations or Second Lien Obligations for purposes of Section 7.2(a) irrespective of whether such First Lien Obligations or Second Lien Obligations have actually been reduced unless and until they are monetized and applied in the order of application set forth above.

7.3. Calculation of Amounts

For the purpose of calculating any Person's share of any sum payable to or by it, the International Security Agent or applicable First Lien Representative or First Lien Collateral Agent shall be entitled to:

- (a) notionally convert the Secured Obligations owed to any person into a common base currency (decided in its discretion by the International Security Agent, First Lien Representative or First Lien Secured Party (as applicable)), that notional conversion to be made at the spot rate at which the International Security Agent, First Lien Collateral Agent or First Lien Representative (as applicable) is able to purchase the notional base currency with the actual currency of the Secured Obligation owed to that person at the time at which that calculation is to be made; and
- (b) assume that all moneys received or recovered as a result of the enforcement or realisation of the Collateral are applied in discharge of the Secured Obligations in accordance with the terms of the Debt Documents under which those Secured Obligations have arisen.

8. OTHER AGREEMENTS

8.1. Matters Related to First Lien Debt Documents

The First Lien Debt Documents may be amended, restated, waived, supplemented or otherwise modified in accordance with their terms, and the Indebtedness under the First Lien Debt Documents may be refinanced, renewed, extended, entered into or replaced, in each case, without the consent of any Second Lien Secured Party; *provided, however*, that, (i) without the consent of the Designated Second Lien Representative, acting with the consent of the Second Lien Required Creditors, no amendment, restatement, renewal, extension, replacement, supplement, modification or refinancing shall (A) contravene any provision of this Agreement, (B) increase the then outstanding aggregate principal amount of the loans and/or notes (excluding any portion thereof attributable to interest that has been capitalized and added to the principal amount), letters of credit, reimbursement obligations and undrawn commitments under the First Lien Debt Documents in excess of the Maximum First Lien Principal Amount, (C) with respect to any series of First Lien Obligations, establish or increase the applicable margin or similar component of interest rate (including by adding or increasing any interest rate floor or through original issue discount) or add or increase any fees or premiums (excluding any customary one-time or upfront fees, whether payable at one time or in multiple installments, payable in connection with an amendment, waiver or similar agreement or customary fees in connection with an extension of additional credit that is not generally shared by all lenders or noteholders and excluding any prepayment fees, prepayment penalty or make-whole premium) in a manner that would result in the total yield on such series of First Lien Obligations to exceed by more than three percent (3%) the total yield on the First Lien Obligations as in effect on the date hereof (excluding any increases resulting from interest at the default rate); or (D) with respect to any series of First Lien

Obligations, modify the interest rate thereon to cause the amount of interest that is payable in kind to be more than the sum of three percent (3%) per annum plus rate of interest that is payable in kind with respect to the First Lien Obligations under the Initial First Lien Indenture (as in effect on the date hereof) (ii) notice of such amendment, waiver, supplement, modification or consent shall be given by the Issuer to the Second Lien Representatives no later than 30 days after its effectiveness; *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof and (ii) the holders of any such amended, restated, renewed, extended, replaced, supplemented, modified or refinanced debt shall comply with Section 8.4.

8.2. **Matters Related to Second Lien Debt Documents**

Without the prior written consent of the Designated First Lien Representative, acting with the consent of the First Lien Required Creditors, no Second Lien Debt Document may be amended, restated, waived, supplemented or otherwise modified, or entered into, and no Indebtedness under the Second Lien Debt Documents may be refinanced, renewed, extended or replaced, in each case to the extent such amendment, restatement, waiver, supplement, modification or refinancing, or the terms of such new Second Lien Debt Document, would (A) contravene the provisions of this Agreement, (B) increase the then outstanding aggregate principal amount of the loans and/or notes (excluding any portion thereof attributable to interest that has been capitalized and added to the principal amount to the extent such interest is not prohibited hereunder), letters of credit, reimbursement obligations and undrawn commitments under the Second Lien Debt Documents in excess of the Maximum Second Lien Principal Amount, (C) with respect to any series of Second Lien Obligations, establish or increase the applicable margin or similar component of interest rate (including by adding or increasing any interest rate floor or through original issue discount) or add or increase any fees or premiums (excluding any customary one-time or upfront fees, whether payable at one time or in multiple installments, payable in connection with an amendment, waiver or similar agreement or customary fees in connection with an extension of additional credit that are not generally shared by all lenders or noteholders and excluding any prepayment fees, prepayment penalty or make-whole premium) in a manner that would result in the total yield on such series of Second Lien Obligations to exceed by more than three percent (3%) the total yield on the Second Lien Obligations as in effect on the date hereof (excluding any increases resulting from interest at the default rate), (D) with respect to any series of Second Lien Obligations, modify the interest rate thereon to cause the amount of interest that is payable in kind under such series of Second Lien Obligations to be more than the sum of three percent (3%) per annum plus the rate of interest that is payable in kind with respect to the Second Lien Obligations under the Initial Second Lien Indenture (as in effect on the date hereof), (E) provide for dates of payment of principal or interest which are earlier than such dates under the Initial Second Lien Indenture (as in effect on the date hereof) or add any mandatory redemption provisions or (F) restrict the payment of First Lien Obligations; *provided* that (i) in each case notice of any amendment, waiver, supplement, modification or consent shall be given by the Issuer to the First Lien Representatives no later than 30 days after its effectiveness; *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof and (ii) the holders of any such amended, restated, supplemented, modified or refinanced debt shall comply with Section 8.4.

8.3. **Matters Related to Amendments of First Lien Security Documents**

In the event any First Lien Representative or First Lien Collateral Agent enters into any amendment, supplement, modification, waiver or consent in respect of any of the First Lien

Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Lien Security Document or changing in any manner the rights of any parties thereunder, then any amendment, waiver, supplement, modification, or consent shall apply automatically to any comparable provision of the comparable Second Lien Security Document without the consent of or action by any Second Lien Secured Party (with all such amendments, waivers, supplements, consents and modifications subject to the terms hereof); *provided* that (other than with respect to amendments, modifications or waivers that secure additional extensions of credit and add additional secured creditors and do not violate the express provisions of the Second Lien Debt Documents), (i) no such amendment, supplement, modification, waiver or consent shall have the effect of (A) removing assets subject to the Lien of any Second Lien Security Documents, except to the extent that a release of such Lien is permitted by Section 2.6, (B) imposing additional duties on the Second Lien Representative without their consent or (C) permitting other Liens on the Collateral not permitted under the terms of the Second Lien Debt Documents or this Agreement, (ii) any such amendment, waiver, supplement, modification or consent that materially and adversely affects the rights of the Second Lien Secured Parties and does not affect the First Lien Secured Parties in a like or similar manner shall not apply to the Second Lien Security Documents without the consent of the Designated Second Lien Representative, (iii) notice of such amendment, waiver supplement, modification or consent shall be given by the Issuer to each Second Lien Representative no later than 30 days after its effectiveness; *provided* that the failure to give such notice shall not affect the effectiveness and validity thereof, and (iv) this clause shall be subject to the provisions of Schedule 5.

8.4. **Additional Debt Facilities**

To the extent, but only to the extent, permitted by the provisions of each of the Debt Documents, any Obligor may incur or issue and sell one or more series or classes of Additional Debt; provided that the principal amount of Additional Debt outstanding or permitted to be borrowed or incurred shall not exceed the Maximum First Lien Principal Amount or the Maximum Second Lien Principal Amount, as applicable. Any such additional class or series of Additional Debt (the "Class Debt"), as permitted hereunder, may be secured by a Lien on the Collateral, in each case under and pursuant to the relevant Security Documents for such Class Debt, if and subject to the condition that the Representative or Representatives of any such Class Debt (each, a "Class Debt Representative"), acting on behalf of the holders of such Class Debt (such Representative and holders in respect of any Second Lien Class Debt being referred to as the "Class Debt Parties"), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable, of the immediately succeeding paragraph.

In order for a Class Debt Representative to become a party to this Agreement:

- (i) such Class Debt Representative shall have executed and delivered a Joinder Agreement substantially in the form of Annex II (with such changes as may be reasonably approved by the Designated First Lien Representative, the Designated Second Lien Representative and such Class Debt Representative) pursuant to which it becomes a Representative hereunder, and the Class Debt in respect of which such Class Debt Representative is the Representative and the related Class Debt Parties become subject hereto and bound hereby;
- (ii) the Issuer shall have delivered to the Collateral Agents and the Representatives a certificate of an authorized officer of the Issuer designating Indebtedness as

- (iii) the Second Lien Debt Documents or First Lien Debt Documents, as applicable, relating to such Class Debt shall provide that each Class Debt Party with respect to such Class Debt will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Class Debt.

8.5. Retaking of Liens

- (a) Subject to clause (c) below, the Secured Parties hereby agree that if any Lien over any asset under the applicable Security Documents is required to be amended, extended, renewed, restated, supplemented or otherwise modified, replaced or released and retaken to ensure that the Additional First Lien Obligations or Additional Second Lien Obligations can be secured with the ranking of such obligations contemplated under Section 2 and Section 8.4, then the Designated First Lien Representative, First Lien Collateral Agent, Second Lien Collateral Agent and International Security Agent (each acting individually) is hereby authorized (without further consent, sanction, authority or confirmation from any party) to effect such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking of the applicable Security Documents provided that: (i) if an Event of Default under any of the First Lien Debt Documents or Second Lien Debt Documents (that is not to be refinanced or replaced in whole) is continuing at that time the requisite consent under the relevant First Lien Debt Document or, as the case may be, Second Lien Facilities is obtained; (ii) immediately upon any release of a Lien, new Liens shall be provided in favor of the providers of such Additional First Lien Debt and/or Additional Second Lien Debt and the existing Secured Parties on terms substantially the same as the terms of the Security Documents released and subject to the same ranking as set out in Section 2; and (iii) contemporaneously with such amendment, extension, replacement, restatement, supplement, modification, renewal or release (followed by an immediate retaking of Liens of at least equivalent ranking over the same assets) the Issuer delivers to the Designated First Lien Representative (A) a certificate from the board of directors or chief financial officer of the relevant person, which certificate confirms the solvency of the person granting such Liens (in accordance with the solvency test set by insolvency/bankruptcy law in the relevant jurisdiction(s)) on and after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or replacement or release and retaking; and (B) an opinion of counsel, in form satisfactory to the Designated First Lien Representative (subject to customary exceptions and qualifications), confirming that, on and after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking, any Lien created under the Security Documents so amended, extended, renewed, restated, supplemented, modified, replaced or released and retaken is a valid and perfected Lien not otherwise subject to any limitation, imperfection or (subject to (b) below) new hardening period, in equity

or at law, that such Lien was not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification, replacement or release and retaking.

- (b) Notwithstanding anything to the contrary, no Secured Party shall be required to release any Lien under the Security Documents where the release contemplated in clause (a) above may result in such Secured Party incurring any hardening period risk in respect of any such Lien if and to the extent that the relevant Additional First Lien Obligations or Additional Second Lien Obligations (i) can be secured by Lower Ranking Liens in favor of the Secured Parties and (ii) can be secured by such Lower Ranking Liens with the ranking contemplated under Section 2 and Section 8.4 by virtue of the provisions of this Agreement and in respect thereto: (A) the Secured Parties benefiting from any already existing Security Documents governed by any law which permits the taking of lower or subsequent ranking liens hereby agree that Lower Ranking Liens may be created in order to secure the Secured Obligations as modified in accordance with this Agreement and in particular in accordance with this Section 8; (A); (B) each Party hereby expressly waives its priority of payment in favour of each of the beneficiaries of any of those Lower Ranking Liens pursuant to which the enforcement proceeds under any of those Lower Ranking Liens should have been paid in priority to, or on a *paripassu* basis with, such beneficiaries of Lower Ranking Liens and the Parties hereby agree that the beneficiaries of any Lower Ranking Liens will receive the proceeds of enforcement of any Liens created pursuant to the Security Documents in accordance with Section 7.2 regardless of the date of creation of such Lower Ranking Liens and ranking of such Security Document; (B) nothing in this clause (b) shall restrict the Secured Parties benefiting from any already existing Security Document from enforcing and/or releasing the already existing Security Documents in accordance with this Agreement (including pursuant to Schedule 2); (C) each of the Secured Parties agrees not to take any action to challenge the validity or enforceability of the Lower Ranking Liens by reason of it being expressed to be second ranking (or any other lower ranking); (D) any decision to enforce any Security Document shall be taken in accordance with the provisions of this Agreement regardless of the ranking of the relevant Lien; and (E) no Secured Party benefiting from any already existing Security Document shall incur any liability or obligation to the beneficiaries of the Lower Ranking Liens for the manner of exercise or any non-exercise of their rights, remedies, powers, authority or discretions under such already existing Lien or for any waivers, consents or releases.
- (c) Clause (a) above shall not apply to any Lien which is granted or purported to be granted pursuant to the laws of a U.S. State.

8.6. Further Assurance

respect of any Collateral Document and any grant of security pursuant to a new Collateral Document.

9. COLLATERAL AGENTS

and the proceeds of such Distressed Disposal, an Appropriation or a Liabilities Sale are applied in accordance with the terms of this Agreement; and

- (ii) the sale, disposal or transfer is made pursuant to a public auction or a competitive bid process (which auction or process may be (but does not have to be) completed by a process of proceedings approved by or supervised by, or on behalf of, any court of law) or any other process agreed to by the

- (B) if such auction or process could reasonably be expected to result in attracting no bids or a bona fide and fully committed cash or cash equivalent bid the cash or cash equivalent consideration in relation to which is determined by the Designated First Lien Representative (acting reasonably) to be less than the outstanding First Lien Obligations, the First Lien Secured Parties (or any of them acting alone or together),

are entitled to participate as bidders or financiers to the potential purchaser(s) or, following the sale, disposal or transfer, the Group; and

- (iii) in circumstances where:
 - (A) the International Security Agent (acting in good faith) considers that a sale, disposal or transfer made by way of this sub-paragraph (b) is not reasonably practicable taking into account all relevant circumstances; or
 - (B) the First Lien Secured Parties (or any of them acting alone or together) make the highest final binding offer of all the offers received pursuant to this sub-paragraph (b) but such offer is less than the outstanding First Lien Obligations,

the International Security Agent has received an opinion from a Financial Adviser confirming that the proceeds received or recovered in connection with such disposal are fair from a financial point of view taking into account all

relevant circumstances. The opinion can be relied upon by the International Security Agent and disclosed to the Designated Second Lien Representative on a non-reliance basis.
